

# Pro-Tec Contained Storage Units

Storage Buildings for your Lubrication System

## Contained Storage Units

PRO-TEC STORAGE UNITS ARE THE INSTANT AND SAFE SOLUTION TO YOUR FLUID STORAGE NEEDS FOR REMOTE AND ENVIRONMENTALLY SENSITIVE LOCATIONS.

Secure Contained Storage product line is designed to contain any type of storage containers, including: drums, pallets, cans or bottles. It is also ideal for corrosive storage, chemical storage, custom dispensing, battery recharging, flammable storage, fuel cache storage, municipal waste sites, pesticide storage, and remote silting solutions.

Pre-engineered models offer a great flexibility in storage capacity and accessorization. Available with HVAC, fire suppression and forced ventilation systems allowing for the dispensing and occupation of the facility.
