

# Lubrication Management

FROM AUDITING TO IMPLEMENTATION LUBRIGARD PROVIDES THE SERVICES TO TRANSFORM *REACTIVE* MAINTENANCE TO *PROACTIVE* MAINTENANCE.

## SERVICES

### Auditing Services

**Lubrication Management Audit** An audit of current lubrication practices and procedures. Deliverables include a comprehensive report, presentation and recommendations for improvement.

**Lubrication Assessment** An informal assessment of current lubrication practices and procedures. Deliverables include recommendations for improvement.

**Lubrication Survey** A survey of lubricated and greased equipment. Deliverables include a detailed equipment list including lubrication type and frequency provided in electronic format.

### Implementation Services

**Lube Room Design and Construction** A complete lube room designed to accommodate your improved lubrication requirements and practices.

**Oil Analysis Program Design** Development of a comprehensive oil analysis program including scheduled sampling with pre-labeled sample kits, automatic test selection by individual component, and oil analysis management software.

**Scheduled Oil Sampling** Our trained technicians will come on-site and take your monthly scheduled oil samples.

## OVERVIEW

### Lubrigard offers a range of services

designed to improve all of your maintenance and lubrication practices.

**Understanding is key to change** so Lubrigard provides a range of auditing services designed to determine your organizations current practices as compared to the industries best-in-class solutions.

### Change is good

and Lubrigard provides the services that will mobilize your organization to take you from your current practices to best-in-class for your industry.

### Your commitment is small

to get the ball rolling. An audit is relatively inexpensive and will highlight both the areas that are already well organized, as well as areas that require attention. From that point forward you can decide whether to implement change now, or when your budget is more favorable.

### When you are ready for change

Lubrigard will be ready with the services to match your organizations needs.
