

Sample Run Name: Brampton Brick Quarterly Sample Run - Apr 21, 2017

Scheduled Date: Monday, April 24, 2017

Company: BRAMPTON BRICK, 225 WANLESS DRIVE P.O. BOX 520, BRAMPTON, L7A 1E9 [BRA225BRA:2049]

Instructions

Print this Sample Run List for the lube technician who is taking the fluid samples.

1. Take the fluid sample and cap the sample bottle.
2. Locate the Machine on the Sample Run List for the fluid sample just taken.
3. Write the Sample Code (i.e. ABC) in the Sample Code area on the Bottle Label affixed to the sample bottle.
4. Write the last three (3) digits of the Sample Number (i.e. 123456789) in the Last 3-digits column of this Sample Run List.
5. If the Route Order column is blank you may write in the physical sample order of this fluid sample. Later the person entering the sample information into WebCheck will have an opportunity to save the sample run route order so that subsequent sample runs lists are properly ordered.
6. When all samples have been taken, give the samples and the completed Sample Run List to the person who will enter this information into WebCheck.
