

### **OIL ANALYSIS REPORT**

Sample Rating Trend

NORMAL

# RWF 11 200

Component Screw Compressor Fluid CIMCO TYPE A (--- GAL)

#### DIAGNOSIS

#### Recommendation

Resample at the next service interval to monitor.

#### Wear

All component wear rates are normal.

#### Contamination

The water content is negligible. There is no indication of any contamination in the oil.

#### Fluid Condition

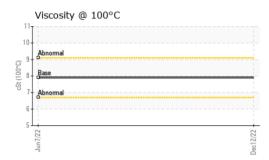

The AN level is acceptable for this fluid. The condition of the oil is suitable for further service.
